Dear Jack,

The Springfield Foundation is proud to support your efforts to create a permanent scholarship fund for the support of Springfield High School graduates through the Springfield Foundation. Your leadership, and that of your active classmates from the Springfield High School Class of 1957, is exceptional and serves as an example for others.

For 60 years we have been assisting families and business throughout our community, and beyond, as they create permanent charitable resources for our community. The Springfield Foundation Board and Staff applaud your efforts and we are committed to assisting those who share your vision of establishing this scholarship fund.

Sincerely,

Ted Vander Roest
Executive Director
